Year 7 Kindness

Y7 have been doing some work on 'Developing a Mind to Be Kind'. Year 7 have come up with their own personalised kindness values through tutor time this week and discussing with their peers and tutors to come up with their own unique tutor group values. This will then be followed up through a variety of assemblies and activities around school. We also now have 27 Year 7 Kindness Reps who will be working with Miss Bishop to keep their kindness Values alive and to be kindness pioneers for the year group. Please see the work they have done below. Thank you to all the tutors and the Y7 team who supported this work. Many Thanks Miss Bishop and the Kindness Reps

Kindness Reps			
Joseph Higgins	Lennon Watson	Caleb Scott	07C
Harrison Dore	Charlie Russell	Tom Edwards	07E
Ryan Candido	Charlie Hopkins	Tyler Lonergan	07F
Alfie Miller	Alex Ayeni	Ethan Abbott	07M
Thomas Raymond	Oliver Goddard	Oliver Willsher	07N
Spencer Murnin	George Kerr	Tanzeal Ahmad	07P

Year 7 Imperial War Museum

A group of 28 Year 7 boys took up the opportunity to visit The Imperial War Museum this week. They have been reading the novel 'Eleven Eleven' by Paul, set during the final 24 hours before the armistice at 11 a.m. on 11th November 1918, the story follows a German storm trooper, an American airman and a British Tommy.

The boys enjoyed seeing the propaganda that affected their protagonists and the variety of uniforms, weaponry and living conditions that World War One had.

The boys were extremely enthusiastic and said that it had really helped them to imagine the scenes and imagery within the novel and many have expressed that they have gone on to ask grandparents and elderly relatives about their experiences of wartime.

Year 8 Pizza and Hot Chocolate Period- APS Reward

On Thursday 24th January 2019, 40 year 8 students were invited to a pizza and hot chocolate period to celebrate their achievement points they have received in the first term of the academic year. Students were selected based upon the top 40 students in the year group for APS and less than 10 BPS.

A big well done to all students whom were invited to this reward.

The next year 8 reward period will be a games afternoon for students whom have turned around their attitude, behaviour and progress since the start of year 8.
