Over the past few week students from Year 7, 8 and 9 have collected boxes of produce to send in time for Christmas.

The food will be sent on the 24th November and will be part of a 2.5 tonne load

## A Level Drama and Theatre studies

This week A Level Drama and Theatre studies students performed their Devised piece. The piece explored the shooting which took place at Bleak House in Norfolk in 1999 when Tony Martin, a farmer who suffered with long term mental health issues, shot dead a 16-year-old boy, Fred Barras, who had broken into his home in the dead of night. Using the methodologies of Bertolt Brecht the performance questioned who was to blame; Tony Martin, Fred Barras or society's lack of both treatment and compassion for those who suffer with mental health issues. The performance was preceded by a workshop led by Splendid Theatre Company. Rosalind

## War Child football skills school

On Monday the latest stage of the War Child 'Learn to Live' campaign took place at Carshalton Boys. Working on the premise that teenage boys the world over share a passion for football, a CBSC skills school and training session was filmed involving students of the Yr 10 class that has been twinned with students from the Zaatari refugee camp in Jordan. Photographers and videographers from the Evening Standard and Independent were in attendance to film the event, footage of which will be taken out to Jordan during the half-term break where the Zaatari boys will have a go at the drills and skills filmed. A massive thank you must go to Gideon, Chris and a number of 6<sup>th</sup> formers in the Crystal Palace academy whose involvement was invaluable.

### **Random Act of Kindness- Year 8 Student**

Jack Walker in 8E has kindly brought in 5 wrapped shoes boxes for the Operation Christmas Child project. One for each age group.

### **An amazing act of kindness!**

The Operation Christmas Child Project is run by the Samaritans UK. A small shoebox can have a big impact. See the impact a simple shoebox gift packed and sent with love, has on a child and how it reaches into a community. █
