

Transition Day 1st July

A reminder that on Monday 1st July we will be holding transition interviews for incoming year 7.

To facilitate this, students in current Year's 7-10 will have a 'Reading Day'. Students will be set independent work to complete at home on this day which will be shared with them on Show May Homework. This work is compulsory and must be completed on the day.

Should you have any concerns regarding childcare for your son on this day, we will have space for a number of students to work here at school in a supervised environment. Please contact the Admin Team on 020 8714 3100 and we can arrange supervision for boys to complete the work at school.

Barcelona Trip

We took 29 y10 boys to explore the wonders of the city of Barcelona: the Sagrada Familia, las Ramblas, La Boqueria market, Arc de Triomf (see photo), the Barça Stadium, the beach and the Park Guell. We also went for tapas and the boys made the most of every opportunity to interact with native Spanish people. It was a great trip ☺

Year 10 Food Technology

In pairs, they had to create a vegetarian dish from a range of ingredients – they were not given any recipes, just some basic ideas.

The class did a great job, but these boys in particular need to be commended! To produce this level of dishes in an hour takes a lot of hard work. I have given them all lots of achievement points today.

Year 9 NCOP visit to Roehampton University, 18 June 2019

Twenty-five Year 9 students had a thoroughly challenging (if sometimes wet) day in the beautiful setting of Roehampton University for their final Year 9 NCOP event of this academic year.

NCOP—the National Collaborative Outreach Programme—works with students in Years 9 to 13 and has the key aim of reducing the gap in higher education participation between the most and least represented groups.

This aim was admirably served at Roehampton with an outstanding session on the importance of a growth mindset from Revolution Hive, as well as a fascinating activity emphasising the interconnectedness of our environment from Growhampton, a student-led project at the university.

Our tour of the beautiful grounds (and our meeting with the Growhampton chickens) was dampened by the rain, but it gave our lads ample opportunity to see what a working university looks and feels like, and to ask the excellent student ambassadors questions about the realities of life away from home.

I'd like to thank our lads for helping make the day so beneficial for all of us, and Sarah Sheppard for her help and good humour throughout the day.

Debate Higher Event at Goldsmiths, 18 June 2019

The boys were preparing for their final debate coming up at the Houses of Parliament. They were looking at fake news and how to spot a reliable source for use in their arguments.

Thank you to Dior and Katie for accompanying them.

UCAS Preparation Day for year 12, 18 June 2019

We had a wonderful day at Sussex University with 54 Year 12 students. The day was to help them think about choosing their university courses and to help them with their personal statements. They also enjoyed a tour of the campus and a free lunch. Thank you Ben, Mano and Freddie for coming with me.

Upcoming dates:

Friday 21st June – Teach First Futures Video

Tuesday 25th June – Inbound visit from Churchill College, Cambridge

Thursday 27th June – Careers with Animals day

2nd July – NCOP video

4th July – Debate Higher Final

9th July – Year 10 Creative Futures Day

Year 7 & Year 8 Reward Trip- Chessington World of Adventures

On Friday 14th June 2019, 60 year 7 & year 8 students were invited to Chessington World of Adventures as a rewards trip. Year 8 students were selected because they have demonstrated an excellent attitude to learning across all of their subject areas within this academic year. Year 7 students were selected by their tutors as a reward for being presented with tutee of the week throughout the year. All students have a fantastic day, enjoying the rides, seeing the wildlife at the aquarium and even going on safari. Only a few images to share of the day, as the boys were off having a brilliant time.

A big thank you to all the staff whom attended the rewards trip (Mr Lambert, Mr Cutress, Ms Sheppard and Mr Foster). This trip couldn't be possible without your support.

September 2019

We are looking to appoint four enthusiastic and dedicated individuals to support pupils; one in each core subject (English, Maths and Science) and an "all-rounder" (please state your preference on your application form). Reporting to the SENCo your role will be to provide support, either in-class, 1:1 tuition, or to small groups of students with varying abilities. You will be encouraging and supporting individual pupils to reach their full potential, whilst demonstrating a creative and determined attitude that will help motivate students.

This role would suit experienced TA's or a graduate who wishes to gain in-school experience prior to undertaking teacher training, as well as those who would like to pursue a career as a Teaching Assistant (L2 Teaching Assistant Training Course will be provided).

Visits to the school are actively encouraged, as are initial discussions with Paul Farr, Assistant Principal and SENCo, which can be arranged by contacting the school.

If you wish to apply for the post, please download the application form from the school website www.carshaltonboys.org

CBS is committed to safeguarding and promoting the welfare of children and young people and expects all staff to share this commitment. All successful candidates will be required to undertake a criminal check via the DBS before they can be appointed

Closing Date for Applications: 10am, Thursday 4th July 2019

Interviews will be held: w/c 8th July 2019

We recommend early applications as the school reserves the right to close the advert prior to the stated deadline date
