

6th Form required equipment list – September 2020

6th Form studies are challenging, it is vital that all students take responsibility and ensure they are prepared for learning and studies.

The links below do not represent a suggested supplier but are there so that you can see the type of equipment 6th Formers should bring to school to support their learning.

Please note that COVID-19 planning requires that all students have their own resources. It will not be possible to loan / provide students with resources.

Required equipment list:
