

Carshalton Boys Sports College NEWSLETTER

'Safeguarding the rights of others is the most noble and beautiful end of a human being.' Khalil Gibran

July 2026

Principal's Welcome

As we reach the end of another remarkable school year, we want to take a moment to reflect on just how much has been packed into these past few months — and to say a huge thank you to everyone who has made it so memorable.

This year has been full of unforgettable experiences beyond the classroom. Our Year 8–9 students braved the elements on the Bushcraft trip, Year 7 enjoyed the adventure of PGL, and our Year 12 students got stuck into fieldwork on their trip. We've had multiple brilliant music concerts and an electric Battle of the Bands, all showcasing the incredible talent within our school community. We even survived the summer heatwave together, and shared in the excitement of the England World Cup games along the way!

Alongside all of this, we've seen fantastic sporting successes across the school, brilliant engagement with Sparx Maths, and some truly amazing reading from our students. It's been a joy to see young people throwing themselves into every opportunity on offer.

Of course, this term also marked a hugely important milestone for our Year 11 and Sixth Form students, who have worked incredibly hard throughout the summer exam season. We are so proud of their dedication and resilience, and we wish them every success with their results.

None of this would be possible without the tireless work of our staff, and the continued support of our families and students. Thank you all for everything you have given to this school community this year.

As we close the year, we wish every student a safe, happy, and restful summer. Take care of yourselves, enjoy the break, and we look forward to welcoming you all back in September — details of the start of term can be found later in this newsletter.

Have a wonderful summer!

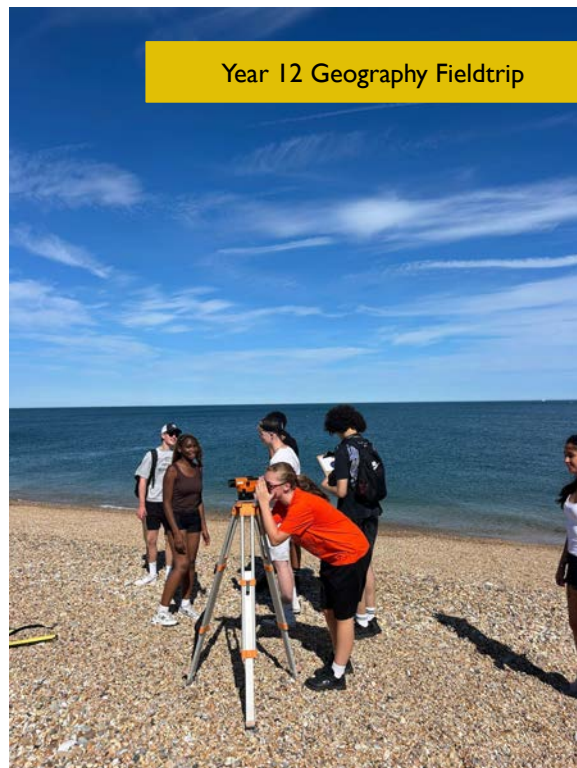

Be Really Kind

Summer Poem

The days don't feel as freezing now,
even in the early morning.
Light lingers around a bit longer,
like it's not ready to leave
Spring was here for a bit..
Light rain, clouds above,
Yet, the sun was starting to pop up,
in places that looked gloomy before.
You can sense something changing,
not all at once, just step by step,
Springtime was here, but now, slowly leaving,
and summer is harshly taking its place instead.

-Harry

Year 9 Drama Trip

End/Start of Term Arrangements

Wednesday 15th July

Students in Year 7 -9 in school

Time	Activity
8.30	Registration
P1 8.45am	Normal lessons
P2 9.30am	Normal lessons
Break 10.15am	Break
P3 10.30am	Normal lessons
P4 11.15am	Normal lessons
Lunch 12pm	Lunch
P5 12.30pm Dismiss 1pm	Rewards in Tutor bases Y7 - Science block Y8 - Maths Y9 - English

Thursday 3rd September

Year 7 & Year 12 ONLY - 8.30am arrival for registration & Welcome. Y7 Students will be dismissed at normal time, 3pm Y12 students will be dismissed depending on their Timetable Consultations

Friday 4th September

Normal School Day - ALL students in school for 8.30am registration

Please ensure your child is in full school uniform and has all their necessary equipment in a pencil case and their school bag.

If you have any questions about uniform over the summer please call 02087143100 or email admin@carshaltonboys.org

Thank You!

For the amazing catering team, thank you for all of the wonderful food you produce on a daily basis. You are the heart of our school, without you the students and staff would not be able to achieve the level of teaching and learning they do. We are extremely grateful to have such a talented team. Your hard work doesn't go unnoticed. Thank you!

Year 10 Languages Summer School

This term three Year 10s were accepted into SOAS' Languages Summer School. Students independently made their way to the SOAS Campus in Bloomsbury and took part in advanced language learning. They went on a campus tour, spoke to current university students, and participated in taster sessions on a variety of languages.

One student said the following about their experience:

"One of the main things I enjoyed about the summer school was how much easier it was to meet new people, it felt very representative of what it would be like to go to university. Another thing I enjoyed was how the lectures were, it gave me actual experience of what it would be like to be in a university classroom environment, and how much effort you actually need to put in to take good and accurate notes. The staff and ambassadors were really nice and helpful, and overall it was quite an enjoyable experience."

Year 7 & 8 Work Shadowing

We are delighted to share the success of this year's Work Shadowing Programme for Years 7 and 8, which once again proved to be an incredibly valuable experience for our students — opening their eyes to new opportunities and helping to shape their future life chances. Parents and employers alike have shared just how much of a difference this experience made:

"This experience has been absolutely vital; his eyes are now open to the range of opportunities out there. From someone who wouldn't consider medicine, he said he would definitely think about it. He has remembered the names of the procedures, the details of cases, and his interest sparked! Excellent — thanks for creating these opportunities."

"It was our pleasure to host one of your Year 8 students as part of the Work Shadowing Experience. We are always happy to support young people and help them gain an insight into the construction industry."

"He spent the day at The Vellum Mill Art Gallery, and he took some examples of his own photography work. The gallery owner was so impressed with his work that she has decided to sell Jack's photography cards in the gallery! Even more excitingly, Jack has already made his first two sales!"

Work Shadowing & Experience 2026-27

What incredible outcomes — from sparking a genuine interest in medicine, to a student's photography now being sold in a gallery! These experiences show just how powerful it can be for students to step outside the classroom and into the world of work.

None of this would be possible without the generosity of our parents, carers, and family friends who so kindly hosted our students, and the hard work of our staff who coordinated this vital programme. Thank you all for helping to create these life-changing opportunities.

YEAR 7

Head of Year Rosini Selvabasgaran
Pastoral Support Officers Robyn Ellen & Sue Garcia
LeadershipYear07@carshaltonboys.org

An Amazing Summer Term!

Dear Parents/ Carers,

Year 7 have completed their first full year at Carshalton Boys with energy, curiosity, and a real sense of community. The students have risen to every challenge—settling into new routines, building friendships, and showing impressive resilience as they navigate secondary school life. Their enthusiasm has been admirable, from sporting achievements, to involvement in extracurricular activities and engagement in daily lessons.

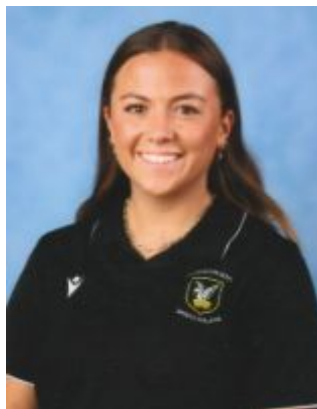

Beyond lessons, Year 7 have embraced every enrichment opportunity with real enthusiasm. From performing confidently in the Singing Studio, dissections in Wizards Club, to taking part in several workshops with the BRIT school. Students have shown curiosity, creativity, and a willingness to try new things. Their involvement at school reflects a year filled with growth and achievement.

As summer arrives, it is the perfect moment for students to rest and recharge. We look forward to welcoming the students back in September, ready for even more adventures in Year 8.

As we say farewell to Miss Selva, we would like to thank her for all of her hard work, dedication, and unwavering support this year. Miss Selva has played an important role in helping our boys settle into secondary school and we are all incredibly grateful. We wish Miss Selva every success as she begins her next chapter.

Your Year 8 Team:

Miss McConnell, Ms Ellen and Ms Garcia-Santos

It has been a real pleasure getting to know the current Year 7 students this year, both as the form tutor of 7W and through teaching many of the boys in PE. It has been amazing to see how well they have settled into life at Carshalton Boys, embracing the start of their secondary school journey with enthusiasm, resilience, and a strong sense of community.

As I take on the role of Head of Year 8, I am excited to continue supporting the boys throughout the next stage of their journey. Over the past year, they have achieved so much, from their success in the classroom and on the sports field to their enthusiastic involvement in enrichment activities and wider school life. I look forward to seeing all the incredible things they will accomplish in the years ahead and I am excited to welcome the students back in September, ready for the next step of their journey and all the opportunities and adventures that Year 8 will bring.

Miss McConnell

YEAR 8

Head of Year Matthew Marrs
Pastoral Support Officer Emma Thompson
LeadershipYear08@carshaltonboys.org

This year has been a brilliant year for Year 8 full of growth, improvement and exciting opportunities. We have seen a number of students excelling in all areas and seeing the boys go from their Y7 selves into teenhood has been amazing. This year has been a year for starting to look ahead to the future and thinking about choices they need to make now to shape where they may end up.

The start of the year saw them complete Baseline Tests in Maths and English in classrooms, however a repeat of these tests in the Sports Hall recently really showed the maturity developing in our boys. The exams team were full of praise for the way they conducted themselves, followed instructions and settled into the process. This bodes very well for future exams, where the boys can concentrate solely on their exams, rather than the process.

From the outset, we have been giving you and the students information about the Pathways process and how it will look for Year 8s moving forward. Choosing their Bridge Options for Year 9 and looking ahead to the future through other means such as the Unifrog platform, Aim Higher trip to St Mary's University, Directions & Destinations Day and the hugely successful Work Shadowing Day has been an excellent chance for the boys to take responsibility and ownership of their learning and future. I thoroughly enjoyed seeing all the wonderful pictures from parents, stories from students and endorsements from employers. The feedback, showing how students have now gained an insight and are inspired to pursue certain careers, has been fantastic and I thoroughly recommend over the summer holidays to continue exploring these.

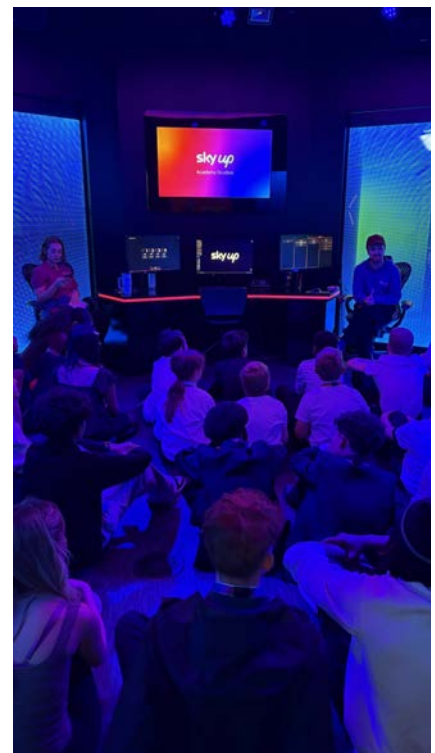

Throughout the year, we are always keen to reward those students who continue to do the right things every day. We have had 2 trips to Sky Sports Studios (where students had the chance to use state-of-the-art equipment to create film trailers and news bulletins) and Thorpe Park as well as in-school rewards events such as the Escape Room and upcoming Pizza & Ice Cream Afternoon. It has been wonderful to recognise those boys as well as students who have significantly improved since Year 7. We understand that issues may arise, however we are always keen to show the boys that if they can turn things around and do the right things, they will be rewarded. I look forward to next year's rewards programme and seeing more hard work paying off!

Year 8 have got a number of strong ambassadors not only for the year group but also the school. We have a strong cohort within the student POWER body and a regularly praised for volunteering their time for events such as the incoming Year 7 Transition Day and Jack Petchey Speak Out Competition.

Year 9 will be another important year for our boys. They will be exploring their Bridge Option subjects whilst also choosing their GCSE options, so it is vital the boys come back into Y9 ready to go from the outset. The Battlefields Trip will be keenly anticipated and a number of exciting events are already in the pipeline.

For now, we look forward to the Y8 Bushcraft Trip on 13th July and the 6 weeks off. Rest up and we will see you all in September!

Year 8 Team

YEAR 9

Head of Year: Jack Wadman
Pastoral Support Officer: Faith Awolope
LeadershipYear09@carshaltonboys.org

Dear Parents and Carers,

As we reach the end of another fast-paced and incredibly rewarding academic year, I wanted to take a moment to reflect on the immense growth and achievements of our Year 9 students. This year is always a pivotal one, marking the transition from the foundations of Key Stage 4 into the exciting challenges of senior school life, and I could not be prouder of how they have handled it.

This year, our students officially dipped their toes into the academic deep end by beginning their GCSE modules. The step up in rigor and expectations is never easy, but the year group has risen to the challenge with maturity. We have been incredibly impressed by their focus and adaptability as they begin shaping their future pathways.

It hasn't just been a year of hard work in the classroom; Year 9 have truly shone across the wider school life:

- **Sporting Success:** Our sports teams and individual athletes have brought determination, teamwork, and an impressive collection of wins home this year. The sportsmanship on display has been exemplary.
- **Trips and Enriched Learning:** From educational excursions to team-building trips, it has been wonderful to see the students representing our school community so brilliantly out in the wider world.

True success is built on daily habits. Throughout the year, we have placed a strong emphasis on successful behaviours for learning. The students who have thrived most are those who have shown resilience, arrived equipped and ready to learn, and consistently pushed through academic challenges. These positive habits are the exact toolkit they need for absolute achievement as they enter Year 10.

Wishing you a well-rested and well-deserved break,

Mr Wadman and Ms Awolope

YEAR 10

Head of Year Andrew Norton
Pastoral Support Officer: Natalie Howard
LeadershipYear10@carshaltonboys.org

It has been a privilege to be Head of Year for this cohort over the past three years, having joined at the beginning of Year 8. Looking back, it has been wonderful to see how much each student has grown—not only academically, but also in confidence, maturity and character. Watching so many of our young people develop into the thoughtful, resilient and ambitious individuals they are today has been one of the most rewarding parts of my role.

I would like to thank parents and carers for the encouragement, communication and support you have given both your children and the school. Working together has helped our students make such positive progress, and it is greatly appreciated.

To our Year 10 students: thank you for your hard work, your humour, your resilience and for making the past three years so enjoyable. You have achieved so much already, and I know you have the ability to make the most of the exciting opportunities that Year 11 will bring.

As you enjoy a well-deserved summer break, take the time to relax, recharge and spend time with family and friends. When you return in September, you will begin your final year at school and your GCSE journey in earnest. I wish every one of you the very best for Year 11 and your GCSEs. Believe in yourselves, work hard, ask for help when you need it, and make the most of every opportunity—you are all capable of achieving great things.

Mr Norton

Gripped London Rewards Trip

Gripped London Rewards Trip

As we look ahead to next year, we're incredibly excited about the journey ahead. Year 11 will look different – but remember, we are on your team. You'll have a strong network of staff around you, supporting, guiding and encouraging you every step of the way.

There's no doubt that Year 11 will be challenging. It will require commitment, resilience and hard work. But we know you can do it. Throughout this year, we have been impressed by your resilience, your sense of humour, and the character you have shown. You have faced challenges, supported one another, and continued to grow, and those qualities will serve you well in Year 11.

For now, take time to rest and recharge over the summer. Reflect on your successes, learn from the challenges, and come back ready to take on Year 11 with confidence.

We want you to arrive in September focused, organised and ready to learn. A few simple jobs over the summer can make a big difference:

- Restock any equipment you need.
- Clear out and organise your school bag.
- Tidy your bedroom or study space.
- Organise your books, folders and revision resources.
- Make sure you are ready to hit the ground running from day one.
- Make sure to adjust your sleep schedule before the first day back!

Year 11 will be tough, but so are you.

We can't wait to see what you achieve.

Your Year 11 Team:

Ms Gaylor, Ms Howard, Ms Torpey, Mr Robinson and Mr Barber

YEAR 11

Head of Year Reece Szreider
Pastoral Support Officer: Faye McLellan
LeadershipYear11@carshaltonboys.org

As we reach the end of your journey at Carshalton Boys Sports College, we would like to take this opportunity to congratulate each and every one of you on what you have achieved over the last five years.

Your time at CBSC has been filled with challenges, opportunities, successes and important life lessons. Throughout it all, you have demonstrated determination, resilience and character. Whether overcoming obstacles in the classroom, representing the school through sport and enrichment activities, supporting one another, or working tirelessly towards your examinations, you should be incredibly proud of everything you have accomplished.

The past five years have seen you grow from Year 7 students into confident young adults ready to take the next step in your lives. Your hard work, perseverance and commitment have been evident, particularly during your final year, and we have been continually impressed by the maturity and dedication you have shown.

As you await your GCSE results, remember what you have achieved over the last five years at CBSC. The resilience, determination and values you have developed during your time at CBSC will serve you well in whatever path you choose to follow.

We wish you every success on Results Day and hope that your hard work is rewarded. We also send our very best wishes as you move on to your Post-16 destinations, whether that is sixth form, college, an apprenticeship or another exciting opportunity. Embrace the next chapter with confidence and ambition, and continue to strive for the very best.

Thank you for the positive contribution you have made to our school community. You will always be a valued part of the CBSC family, and we look forward to hearing about your future successes in the years ahead.

Good luck, Class of 2026 – your journey is only just beginning.

The Year 11 Team

Year 11 Results Day Thursday 20th August 2025

8.30am - 11am

Results will be available for collection from school in person times 8.30am-11am on **THURSDAY 20th AUGUST 2026**

UNCLAIMED RESULTS will be posted to your home address.

Please make sure that the school office has the correct address. 6th form enrolment interviews take place shortly after this, details TBC

We will update any changes on the News Page on the Website [HERE](#)

Year 11 Leavers

Sixth Form

Head of Year: Mr Earley & Mrs Ellis
Pastoral Support Officer: Mrs Barker
Leadershipsixthform@carshaltonboys.org

A Prom to Remember

Our Sixth Form students rounded off the year in style at this year's prom, and what a night it was! Our students arrived in their finest outfits, ready to celebrate two years of hard work, friendship, and memories made together. From the moment guests stepped through the doors, the atmosphere was electric — laughter on the dance floor, photos being taken at every turn, and a real sense of pride in how far everyone has come. It was wonderful to see students, some of whom started Sixth Form as shy Year 11 leavers, now confident young adults enjoying a well-earned celebration. Congratulations to everyone involved in making the evening such a success, and a huge thank you to the staff and student committee who worked behind the scenes to bring it all together.

Sixth Form

Head of Year: Mr Earley & Mrs Ellis
Pastoral Support Officer: Mrs Barker
Leadershipsixthform@carshaltonboys.org

Welcoming Our Newest Sixth Formers

As one chapter closes, another begins. This summer's Transition Week gave our incoming Year 12 students — those joining us in September 2026 — a brilliant first taste of Sixth Form life. Across the week, students got to know their new subject teachers, met future classmates, and took part in a range of taster sessions designed to build confidence ahead of the big step up. Feedback from students and parents alike has been fantastic, with many commenting on how much more prepared and excited they now feel about starting their courses. It's a real testament to the effort put in by staff to make new students feel welcome from day one, and we can't wait to see this new cohort settle in and thrive.

A Year of Growth Through PSHE

It's also been a rich and rewarding year in PSHE, where lessons have gone well beyond those in our academic subjects. Students have explored a range of important life topics, including driver safety as many prepare to get behind the wheel for the first time, and building healthy relationships as they navigate friendships, romance, and independence. With exams a constant feature of Sixth Form life, students also benefited from sessions on exam preparation, picking up practical strategies for managing stress and staying organised under pressure. Finally, discussions around living in a diverse society encouraged students to reflect on inclusion, respect, and their role within our wider community. Together, these sessions have helped equip our Sixth Formers with skills and understanding that will serve them well long after they leave school.

Sixth Form

Head of Year: Mr Earley & Mrs Ellis
Pastoral Support Officer: Mrs Barker
Leadershipsixthform@carshaltonboys.org

Work Experience Week

This year's Work Experience Week was a huge success, with students heading out into a wide range of workplaces to gain first-hand insight into the world of careers. From hospitals and law firms to primary schools, engineering firms, marketing agencies, and local businesses, our students threw themselves into every opportunity with enthusiasm and professionalism. Many returned with glowing feedback from employers, praising their confidence, curiosity, and work ethic. For some, the week confirmed the career path they've had their sights on for years; for others, it opened their eyes to entirely new possibilities they hadn't previously considered. Beyond the practical skills gained, students also had the chance to build their networks, practise workplace communication, and get a real sense of what life beyond Sixth Form could look like. A big thank you goes out to all the employers who gave up their time to host our students — these experiences make a genuine difference in helping young people make informed choices about their futures.

It's been a memorable year for our Sixth Form — here's to an even brighter one ahead!

NATO Work Experience

Sixth Form Results Day

Thursday 13th August 2026

Year 13 8am - 11am

Year 12 9.30am - 11am

GCE – A Level Results will be available for collection from school in person times 8am - 11am on **THURSDAY 13th AUGUST 2026**

GCE – AS Level Results will be available for collection from school in person times 9.30am - 11am on **THURSDAY 13th AUGUST 2026**

UNCLAIMED RESULTS will be posted to your home address. You should receive them on **FRIDAY 14th August**

Please make sure that the school office has the correct address

Year 13 transition consultation may be required with 6th Form Team, between 13th August (all day) and 14th August (until 1pm). The 6th form team will be available to provide UCAS support & guidance.

We will update any changes on the News Page on the Website [HERE](#)

Sixth Form UCAS Updates

UCAS

As we reach the end of another busy and productive term, we want to take this opportunity to update you on the excellent progress Year 12 students have made. This newsletter covers three key areas: academic progress, professional standards, and future pathways.

Academic Progress

Year 12 have had a busy and demanding term. Students have sat AS exams and internal assessments, alongside working hard on coursework and Non-Examined Assessments (NEAs). As a result, students are now in a strong position to understand their academic strengths and areas for development.

This clarity should form the basis of a clear plan for the summer holidays and for the start of next term. Students should be able to identify:

- Weak topics that need revisiting
- Exam skills that need further development
- Any deadlines coming up in September

The summer break is a valuable opportunity to consolidate knowledge and practise exam technique. We strongly encourage students to create a weekly plan to work through knowledge and skills gaps, as well as to complete any summer work set by their teachers.

Starting September strong is essential — predicted grades will be updated early in the term, and the first mock exams take place in November. Year 13 will go by quickly, so it's important that students return in September both refreshed and well prepared.

Professional Standards

This half term, we have placed a strong focus on reinforcing professional standards, helping to prepare students for their next steps — whether that is university, college, an apprenticeship, or employment. Students have been encouraged to develop good habits in areas such as:

- Punctuality
- Attendance
- Dress code
- Engagement in lessons
- Meeting deadlines

These may seem like small things, but together they create a solid foundation for the future. Getting the basics right now means that time and effort can be focused where it matters most — on studies and researching future opportunities. Our aim is that by September, professional standards are firmly embedded, allowing students to dedicate their full attention to academic progress from the very start of term.

Year 12 Geography Fieldtrip

Year 12 Geography Fieldtrip

Sixth Form UCAS Updates

UCAS

Future Pathways

Post-18 pathways have been another key focus this term. While a significant emphasis has been placed on UCAS, students have also been researching employment and apprenticeship options and working on their CVs.

So far, UCAS students have:

1. Attended various PSHCE sessions on choosing courses and preparing for UCAS
2. Attended university open days
3. Taken part in Directions and Destinations Day
4. Attended the UCAS Convention
5. Started their UCAS application
6. Attended a school workshop on writing personal statements
7. Received in-school guidance during Futures Friday sessions
8. Used Unifrog to research courses, careers, and opportunities
9. Taken part in academic enrichment activities

A reminder: our Pathways Evening is taking place on Tuesday 14th July — please don't forget to sign up.

Many students have already begun the first draft of their personal statement. Personal statements typically take several drafts to get right, so it is vital that students start now if they haven't already. Students should aim to have a solid draft ready to refine and submit when they return in September.

Year 12 Geography Fieldtrip

IMPORTANT DEADLINES

OXBRIDGE & MEDICINE

8th October

Includes applications for Oxford, Cambridge, and most Medicine, Veterinary & Dentistry courses

ALL OTHER UCAS APPLICATIONS 23rd

November

Standards applications for the majority of courses and CBSC deadline for equal consideration

Thank you for your continued support this term. We wish all Year 12 students a restful and productive summer, and we look forward to welcoming them back in September ready for the challenges of Year 13.

Year 12 Geography Fieldtrip

Last week, our Year 12 Geographers travelled to the Field Studies Council centre at Slapton Ley in Devon for an action-packed programme of fieldwork, data collection, and independent research.

Throughout the week, students worked towards their Independent Investigations, choosing between two contrasting areas of study: Beach Studies, examining coastal processes and landforms along the Slapton shoreline, or Urban Regeneration in Plymouth, exploring how the city has evolved through redevelopment.

A highlight of the trip was Data Collection Day, where students got hands-on with fieldwork techniques, gathering the raw data that will underpin their independent investigations back in the classroom. This included sediment sieving and particle size analysis on the beach, alongside careful recording and initial data crunching to make sense of their findings.

Year 12 Geography Fieldtrip

Beyond the fieldwork, students showed excellent teamwork, resilience, and enthusiasm throughout the week, embracing both the academic challenges and the outdoor environment. The trip concluded fittingly with a final beach visit and a friendly football match, a well-earned chance to enjoy the surroundings of Slapton Ley one last time before heading home.

Huge thanks go to the staff who supported the trip, and huge congratulations to our Year 12 students for their commitment and hard work. The data collected this week will form the foundation of their independent investigations, giving them real, first-hand experience of the geographical research process.

A brilliant week all round, and a fantastic example of learning beyond the classroom in action.

PGL Year 7 Trip

This week, our Year 7 boys embarked on their PGL residential trip, and what an adventure it has been! From the moment they arrived, the boys have been fully immersed in a jam-packed programme of outdoor activities designed to build confidence, resilience, and teamwork.

The trip got off to a flying start with the zip line and archery, and the boys wasted no time throwing themselves into every challenge. Over the following days, they went on to tackle the giant swing, Jacob's Ladder, trapeze, fencing, and axe throwing — each activity pushing them a little further out of their comfort zones. Watching the boys face their fears on the zip line and take a leap of faith on the trapeze has been a real highlight, and it's been wonderful to see their confidence grow with every activity.

PGL Year 7 Trip

Beyond the physical challenges, the trip has been a fantastic opportunity for the boys to develop their teamwork and communication skills, working together to support one another through activities like Jacob's Ladder. The sunshine certainly helped too, with staff and students alike making the most of the glorious weather throughout the week.

Evenings have been just as memorable, rounding off with football, PGL games, and a silent disco on the final night — proof that even after a full day of activities, our Year 7 boys still had energy to spare!

A huge thank you goes to the CBSC staff who accompanied the trip and gave up their time to support the boys throughout, and to the wonderful team at PGL for looking after our students so well. This trip has provided our Year 7 cohort with memories, friendships, and personal growth that will stay with them for years to come.

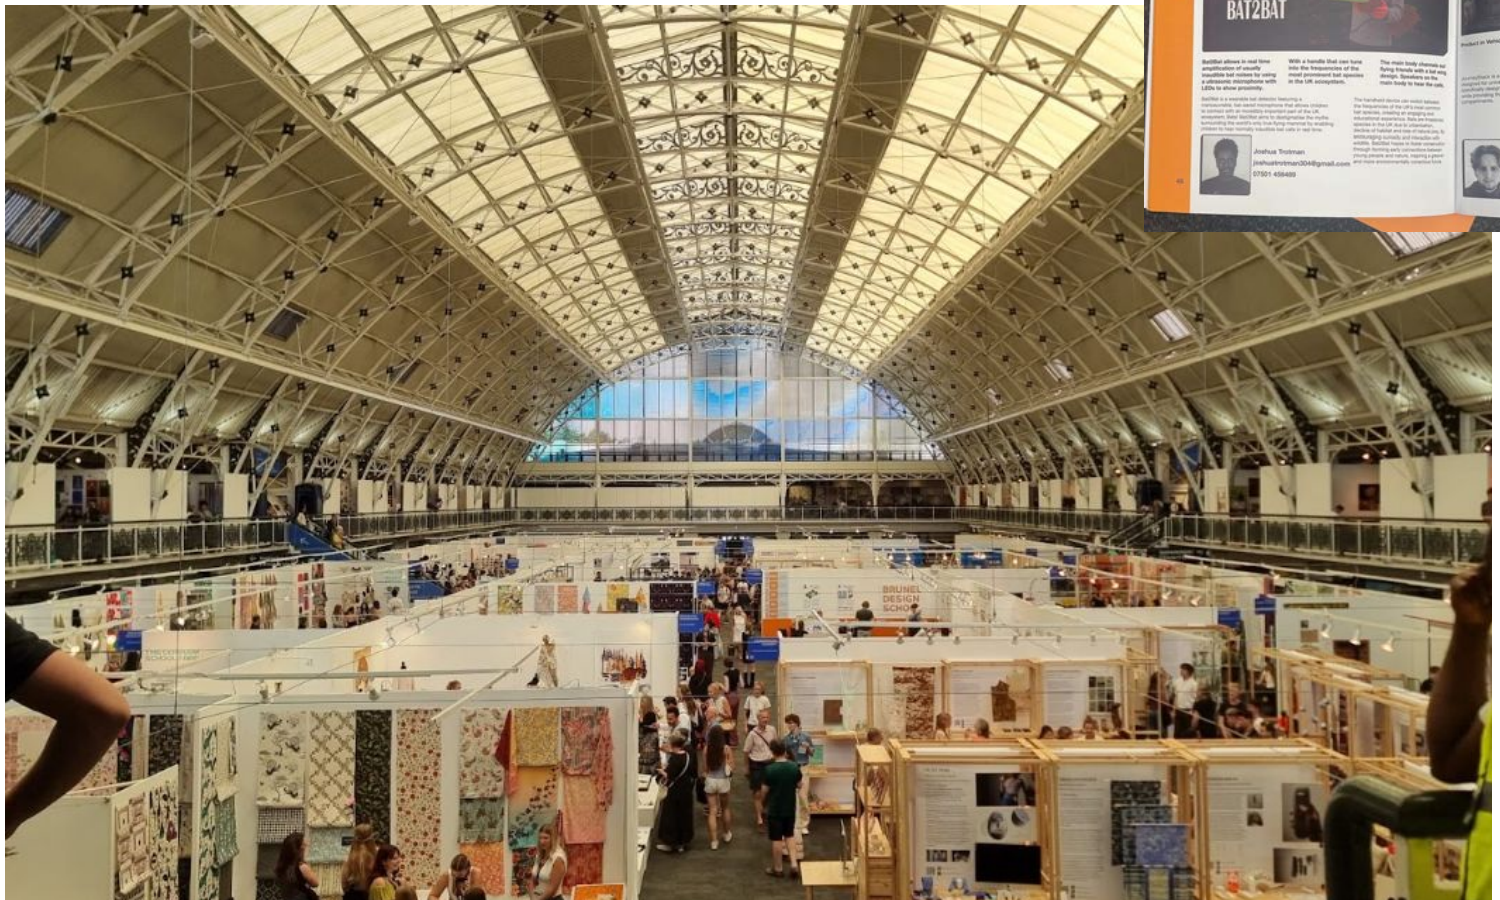

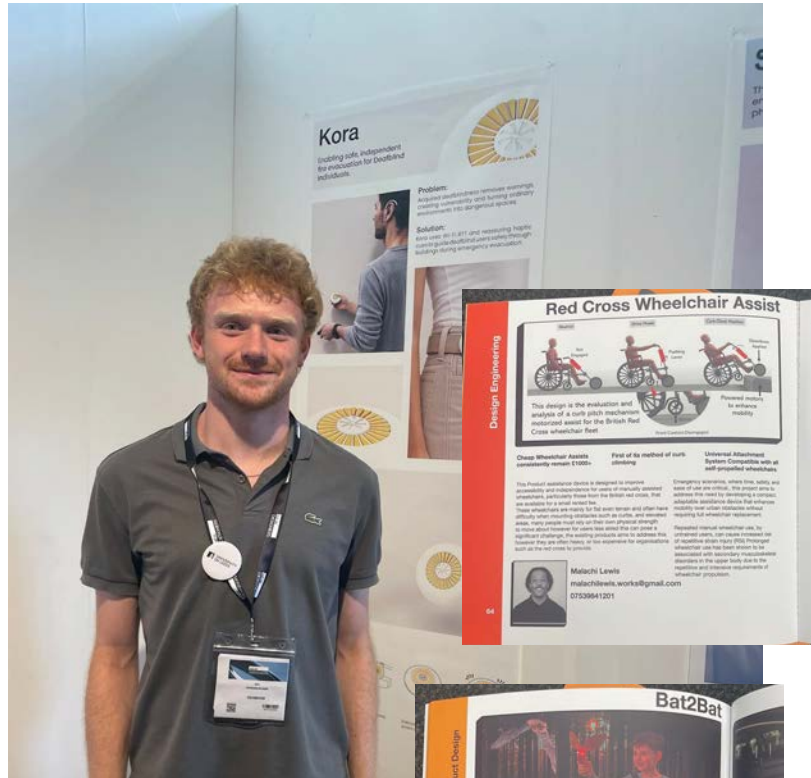

New Designers Trip

Early this month, a group of Year 10 and Year 12 Product Design students visited the New Designers Exhibition at the Business Design Centre in London. The trip gave students a fantastic opportunity to see cutting-edge work from graduating design students across the country, offering a real insight into where a career in design can lead. It was also great to see some of our Alumni there, exhibiting their work!

For our Year 10 and Year 12 Product Design students, the visit comes at the perfect time as they begin their Non-Exam Assessment (NEA) projects, providing fresh inspiration and ideas to take into their own design work. It was also a brilliant chance to see the exciting possibilities that await at university level and beyond.

Students found the exhibition genuinely inspiring, with many commenting on the creativity and innovation on display. A great day out, and a fantastic way to kick-start the design journey for our students!

New Designers Trip

National Theatre Visit

On the 10th June our GCSE drama students visited the National Theatre for an exclusive backstage tour. They explored the sets, props, and lighting rooms, gaining a deeper appreciation for the magic behind live theatre. It was an inspiring experience!

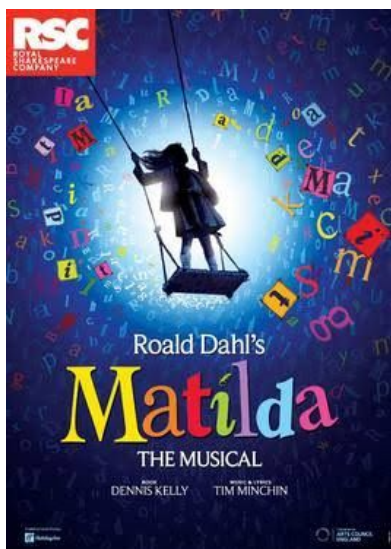

**National
Theatre**

Matilda the Musical

On June 9th, a group of our Year 9 GCSE students had a magical evening in London, seeing Matilda the Musical. The performance was brilliant, filled with energy, creativity, and laughter. Our students were completely captivated, and it was an unforgettable experience for everyone!

BRIT School 'Reach Festival'

Over the past six weeks, a group of our students has been working in collaboration with the BRIT School on an exciting creative performance project. Through five workshops, they have devised an original piece exploring the theme of our changing world and what the future might look like, combining dance, drama and singing.

The project will culminate in a final performance on 10th July 2026, showcasing the creativity, imagination and hard work of all those involved.

I have been incredibly proud of our students throughout this process. Not only have they produced some outstanding creative work, but they have also represented the school exceptionally well, demonstrating maturity, professionalism and excellent collaboration with staff and students from the BRIT School. Well done to all of the pupils involved—we look forward to seeing the finished performance.

The
BRIT
SCHOOL

Sky Studios Trip

Celebrating Pride Month at Sky Up Academy Studios

Students from Years 7–12 had an incredible day at Sky Up Academy Studios, celebrating Pride Month in style! From creating and presenting their own news broadcast to taking part in engaging panel discussions, students gained hands-on experience both in front of and behind the camera.

It was a fantastic opportunity to explore storytelling, teamwork, and discover the magic that happens behind the scenes of broadcast media — all while celebrating a month that means so much to so many.

A brilliant day of learning, creativity, and celebration for everyone involved!

Enrichment

The Carshalton Boys Sports College Enrichment program has provided students with multiple opportunities to build confidence, develop communication skills and enabled them to discover new passions beyond the classroom. The activities offered included:

- **Sports:** Football, Rugby, Dodgeball, Athletics, Basketball, Cricket, Fitness, JUDO, Jiu Jitsu, Handball, Table Tennis
- **Creative Pursuits:** Art, Guitar, Singing, Drama, Media, Photography, Construction, 3D Design
- **Intellectual clubs:** STEM, Coding, Creative Writing, Debating, Dungeons and Dragons, Board Games, Chess

Pupil feedback has helped develop the program and provide suggestions for new clubs to be run in 2026-2027.

Information about the Autumn term program will be shared early September.

Lauren Avery

FI Lego Club

Future Engineers in Action: FI in Schools Comes to a Close

Our FI in Schools LEGO sessions wrapped up recently, and what a way to finish — the final session was one of the most enthusiastic yet! These sessions have been a brilliant example of enrichment beyond the classroom, giving students the chance to explore engineering, design, and teamwork in a hands-on, high-energy environment.

From building and racing their own model cars to problem-solving under pressure, students have developed skills that go far beyond the curriculum — creativity, collaboration, and a genuine taste of what it means to think like an engineer. For many, this kind of practical, project-based learning is exactly what sparks a lasting interest in Engineering and Design pathways.

A huge well done to all the students who took part — the enthusiasm and effort on show has been fantastic to see, and it's brilliant to know we may have some future engineers in the making!

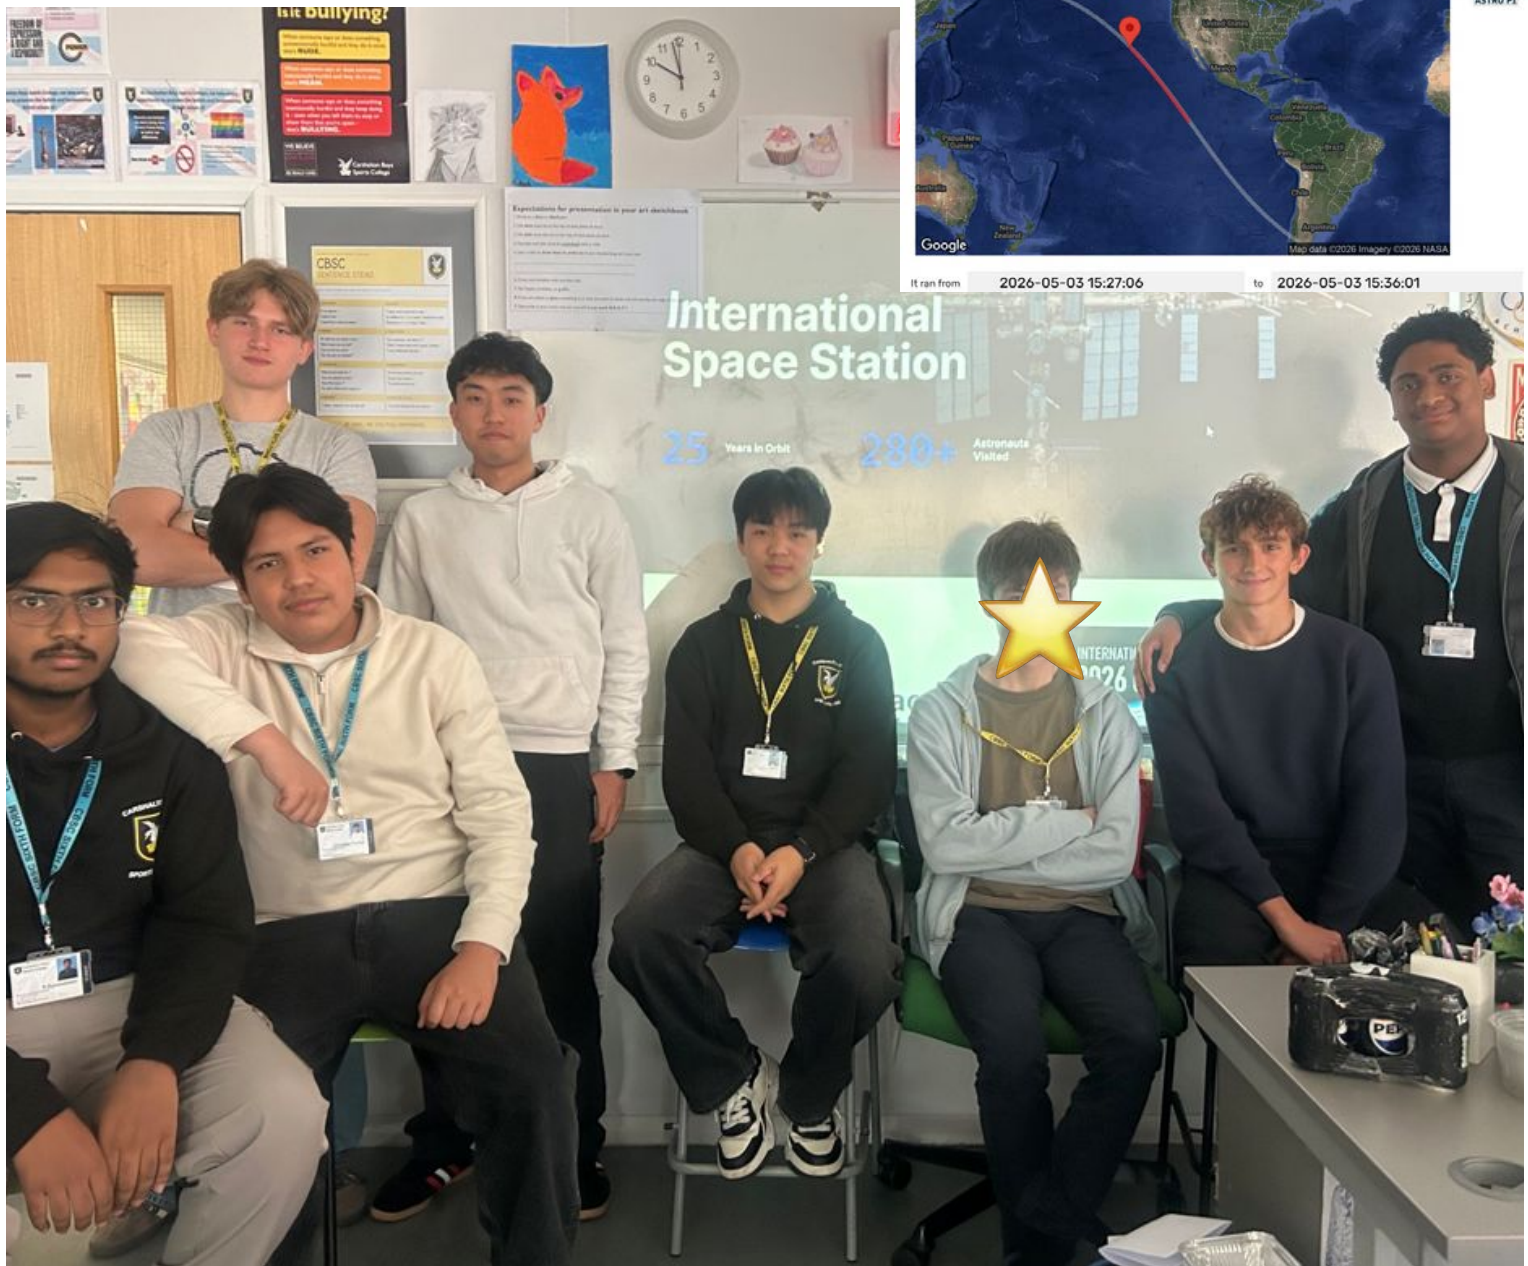

Astro Pi - Out of Space Coders

We are incredibly proud to celebrate the achievements of two Year 12 Astro Pi teams whose code was selected to run on the International Space Station (ISS) as part of the European Space Agency's Astro Pi programme.

The students designed and wrote computer programs that were successfully deployed and executed in orbit, collecting real scientific data from space. Having code run aboard the ISS is an extraordinary achievement and places our students among a select group of young people from across Europe whose work has contributed to a genuine space mission.

To mark this success, students also took part in a live Q&A session with ESA astronaut Pablo Álvarez Fernández, gaining a unique insight into life and work aboard the International Space Station.

This achievement reflects the students' creativity, resilience, problem-solving skills, and passion for STEM. We congratulate all students involved and look forward to seeing what they achieve next.

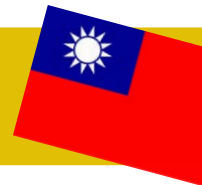

The Half Term In Photos

The Half Term In Photos

Taiwanese Students Visit CBSC

Once again, we have welcomed some Taiwanese students into our CBSC family. The students were here for 6 days as part of an immersion programme. As well as spending lots of time in Oxford and London, they buddied up with our students to experience everyday life in an English school.

As always, our students warmly welcomed the students in traditional CBSC style and the Taiwanese students have experienced typicality, from sitting A Level Economics tests, Duke of Edinburgh training, to watching a CBSC concert in the playground with the infamous Osaze and Marcus! What a treat!

Friendship bonds were developed and memories made. We look forward to strengthening our Taiwanese relationships in the future!

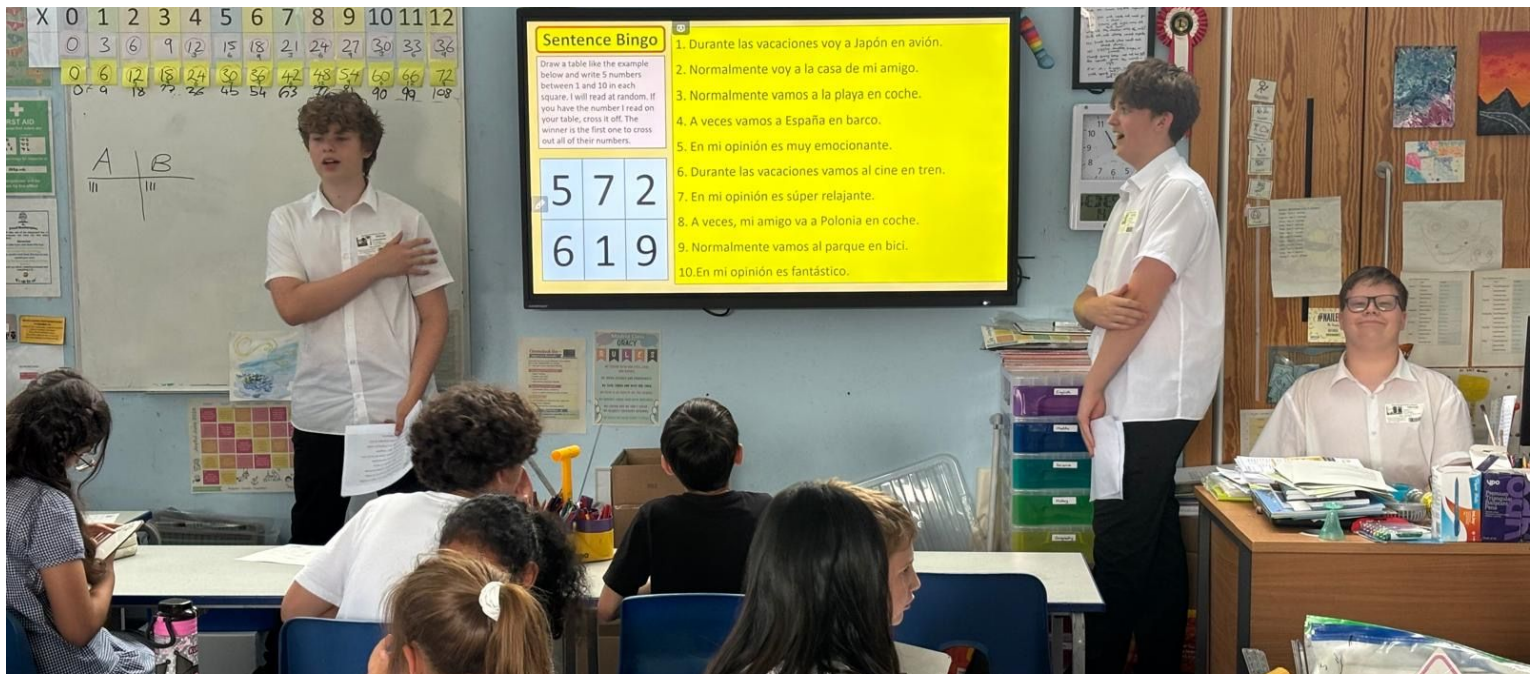

Year 9 Language Teachers

Our amazing year 9 language students stepped up as teachers for a day as they taught Spanish and French to year 5 students in two local primary schools. They oozed confidence, professionalism and demonstrated leadership and empathy. The year 5s learned about holidays and our boys were engaging and enthusiastic. The year 5s loved them so much that they requested return visits for year 6 next year!

We are so proud of these fantastic language ambassadors and young role models for showing what CSBC students are all about.

Maths Update

tlogan@carshaltonboys.org

Year 7 Transition

Our incoming Year 6 boys joined us for a transition lesson with a difference, teaming up with our Year 7 students to solve a set of maths riddles for points. The lesson was a fantastic chance for our Year 7s to show off their problem solving skills as mentors, and the Year 6 boys rose to the challenge brilliantly.

Fancy testing yourself against our Year 6 and Year 7 boys? Here's one of the riddles they tackled:

1. Guess the Number

1
POINT

I am a two-digit number.

I am a multiple of 7.

My digits add up to 8.

I am less than 40.

What number am I?

Year 12 Transition

We welcomed Year 11 students, both internal and from other schools, to sample what Maths A Level has to offer. Boys attended live lessons in Core Maths, A Level Maths, and Further Maths, getting a genuine taste of sixth form study before making their options choices.

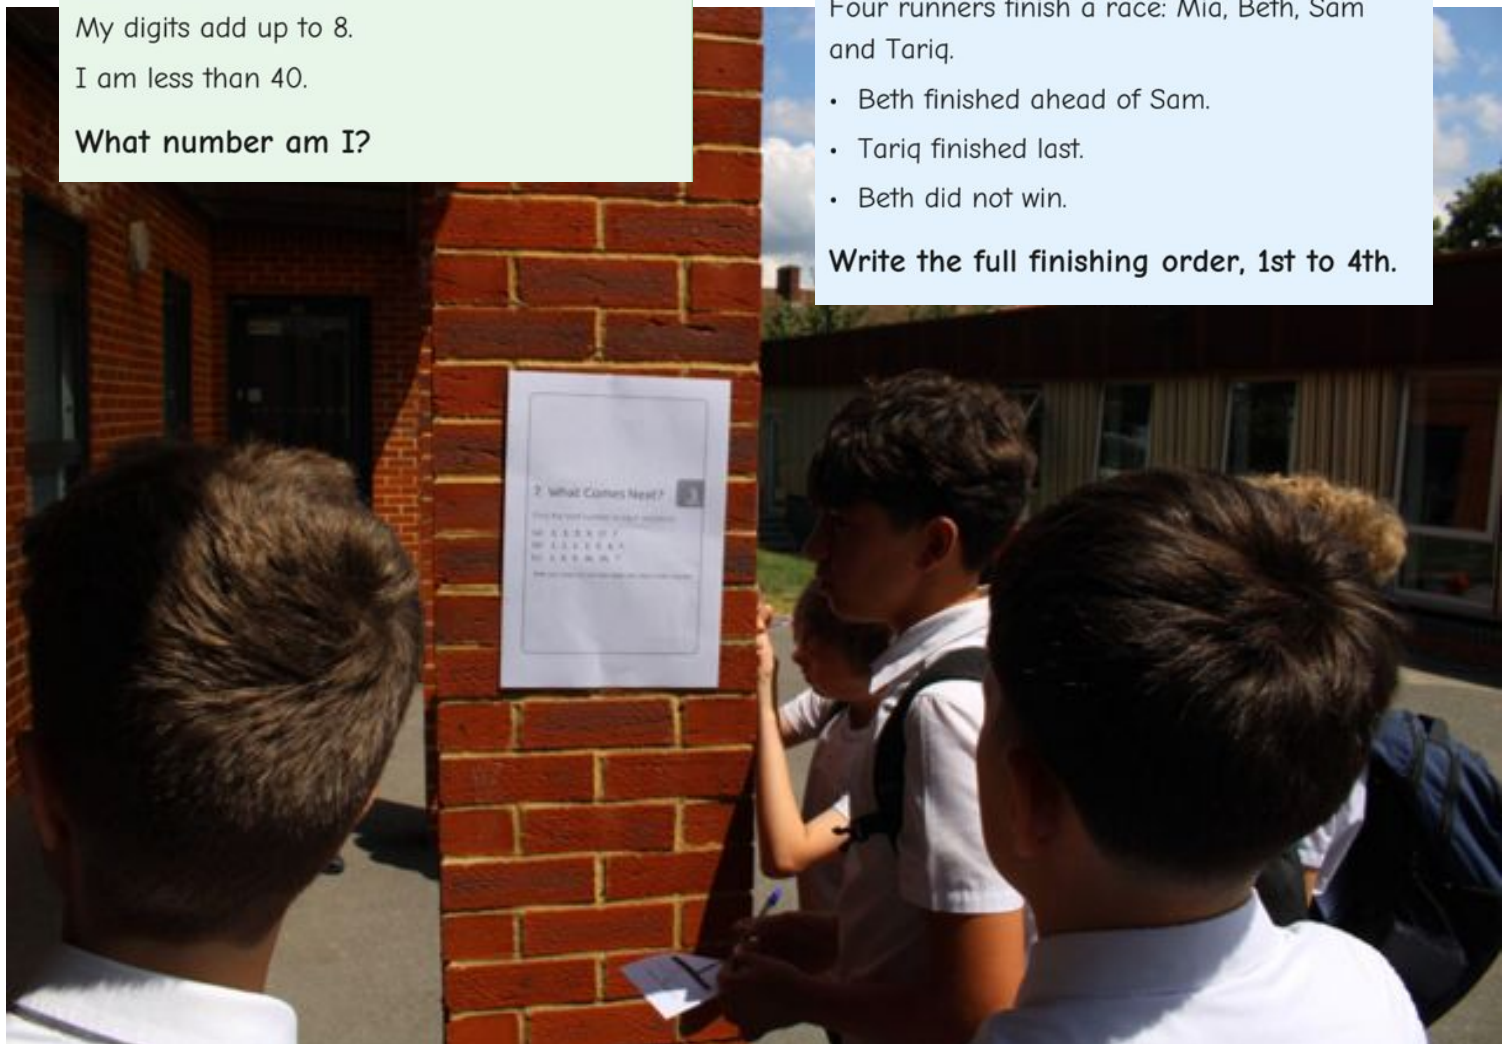

2. Race Detective

2
POINTS

Four runners finish a race: Mia, Beth, Sam and Tariq.

- Beth finished ahead of Sam.
- Tariq finished last.
- Beth did not win.

Write the full finishing order, 1st to 4th.

SPARX Champions!

What a year it has been on Sparx Maths! Boys across every year group have put in extraordinary hours of independent practice, and the numbers speak for themselves. Here's our round-up of the school's Sparx superstars.

Top 10 XP Earners - Whole School

Huge congratulations to our overall XP champion for the year:

Sparx Maths

Rank	Student	Year Group	Total XP
1	Stefan S.	Year 8	39,309
2	Gabriel M.	Year 7	38,033
3	Thanujan S.	Year 9	37,480
4	Joshua C.	Year 9	32,698
5	Oliver P.	Year 8	32,049
6	Rashman T.	Year 8	31,325
7	Aravindh N.	Year 7	29,258
8	Lucas Y.	Year 7	29,153
9	Adam M.	Year 8	28,083
10	Nathan K.	Year 9	27,376

XP by Year Group

Year 9 leads the school in total XP banked this year, narrowly ahead of Year 8 — a brilliant effort from our KS3 boys in particular.

Year Group	Total XP Earned	Students
Year 9	3,538,860	263
Year 8	3,339,835	243
Year 7	3,066,762	261
Year 10	2,193,922	227
Year 11	2,007,433	235
Year 12	88,074	44

Battle of the Bands!

Earlier this half term, our Main Hall came alive with music as students took to the stage for this year's Battle of the Bands. The event was a fantastic celebration of the incredible musical talent we have at our school, with every performer demonstrating commitment, confidence and enthusiasm.

We were treated to a brilliant afternoon of live performances featuring a wide range of musical styles. Every student involved should be immensely proud of the dedication they showed in rehearsals and the confidence they displayed in front of a packed audience. Their performances were a testament to the hard work they have put in over the past few months.

A huge congratulations goes to Teddy T, Kiran T, Tyler W-B, Nathan I, Zander P, Edward M, Charlie W-G, Charlie R, Ralph B, Damien K, Fred H, Stan C-S and Harrison G for representing the Music Department so brilliantly. Their professionalism, teamwork and passion for music made the afternoon a memorable success. Also amazing thanks to Sam, Tyler and Ronnie for helping the event run smoothly.

Thank you to all of the staff, families and students who came along to support the performers. The atmosphere throughout the event was fantastic, with enthusiastic encouragement from the audience helping to make it a special occasion for everyone involved.

We are incredibly proud of every musician who took part and look forward to seeing even more students get involved in future performances. Events like Battle of the Bands continue to showcase the creativity, resilience and talent of our students, and we can't wait for next year's competition!

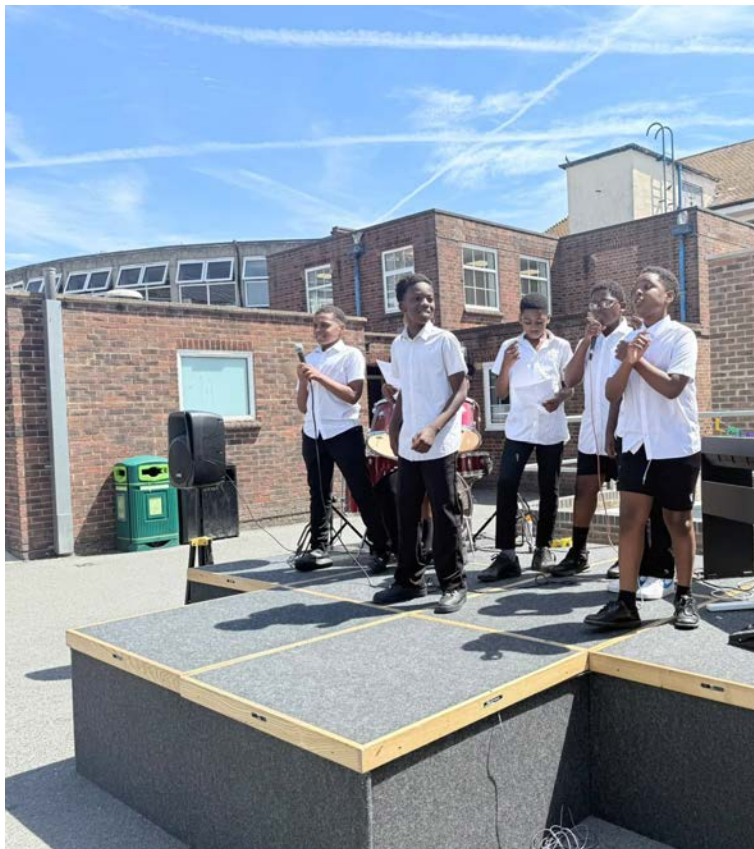

Music Events

Our Year 13 student band, Wildflower, made up of BTEC Music students, rounded off a fantastic year in music with a performance at the Sound Lounge in Sutton on 8 July. Taking part in the Young Bands Showcase, they performed a brilliant six-song set to a packed venue and did themselves, and the school, proud. Over the past two years, Wildflower have represented the school and Music Department brilliantly, showcasing their talent, dedication and passion for music. We will miss them greatly and wish them every success for the future. Thank you to everyone who came along to support them and make the evening such a memorable occasion.

Over the past few weeks, students and staff enjoyed a fantastic series of three playground concerts, with glorious sunshine creating a real festival atmosphere. Highlights included a brilliant set from our viral performers, Osaze and Marcus, a special concert celebrating Pride Month, and a showcase event featuring the excellent CBSC Singing Club. The Staff Band also took to the stage, including memorable farewell performances from Mr Diamond and Mx Oddy. To top it all off, Sam in Year 8 delivered a fantastic rendition of Wonderwall to celebrate England's victory over Mexico in the World Cup. The concerts brought the school community together and were a wonderful way to celebrate music, talent and school spirit.

Music Events

Reading at CBSC

Lead: Joe Kelly

JKelly@carshaltonboys.org

Sparx Reader

Across the country, reading levels for young people continue to fall rapidly. But here at CBSC, we're breaking that pattern.

Reading is still the number one indicator of future success, and remains the only activity proven to 'level the gap' between students from different backgrounds. The more students read, the more they enjoy reading - and the more they enjoy it, the more they will read. It's an age-old cycle.

Attentive reading practice leads to significant progress in reading, with Sparx Reader putting hundreds of books in every student's pocket, at a time when - Nationally - more and more of our young people are putting books down.

Establishing consistent routines is an absolutely crucial part of student development, with reading engagement playing a vital role in helping students to harness vital literacy skills.

On Sparx Reader alone, students at CBSC have completed over **32,000** hours of careful reading this year. That's almost **11,000** books; **1.9 million** questions; and **253 million** words read.

With that in mind, we're over the moon to see so many students and families continuing to revel in the joy of reading! If you have any questions about how to encourage your child to read, please contact jkelly@carshaltonboys.org.

Just **10-minutes** of reading a day has an enormous impact on development. We want to say a huge **THANK YOU** to parents and carers who are supporting their children with reading at home!

DID YOU KNOW?

- By age 14, keen readers have seen 4 million+ MORE words than non-readers
- Over 80% of children say reading helps them feel better when stressed
- Children who read regularly perform (on average) 10% better in Maths

READING REWARDS:

Top Readers this term!

Student Name	Tutor Group	SRP - Summer Term	Hours of careful reading
Ismail	S 07E	14,517	24
Jake	H 07C	9,131	15

Introducing...

Bedrock Learning

Bedrock Learning

As part of the school's ongoing commitment to evidence-based learning, we're excited to announce that we have partnered with literacy improvement specialists **Bedrock Learning** for the 2026/2027 academic school year,

Built by former English teachers, Bedrock Learning is a digital literacy platform which offers learners a carefully sequenced and adaptive **vocabulary and grammar curriculum**. It exposes learners to new words and grammatical concepts through a rich diet of culturally valuable fiction and non-fiction, and its algorithm ensures that learning is personalised to your child, identifying and targeting gaps in knowledge.

It's our hope that this will be a transformative addition to our literacy offering, ensuring that our young people are equipped with the vocabulary and grammatical understanding they need to access the curriculum and express their ideas in every subject.

The new Bedrock Learning curriculum will be rolled out in September as part of the school's commitment to building stronger foundations for all students. You can find more information about Bedrock Learning at bedrocklearning.org. You can also find additional help for parents at help.bedrocklearning.org. More information on accessing the programme will follow in September.

WHAT DOES BEDROCK COVER?

Bedrock Vocabulary teaches thousands of Tier 2 and Tier 3 words through interactive online lessons. Learning key words this way ensures that your child can communicate like an expert in every subject, a skill that is crucial to improving their life opportunities.

Bedrock Grammar teaches grammar through videos and a variety of engaging activities. Every lesson begins with an authentic text before taking learners through a whole host of grammar tools and techniques that are fundamental to their engagement with the curriculum and beyond.

Sporting Success

SWANS SPORTING SUCCESS

CARSHALTON BOYS SPORTS COLLEGE

Jack

Jack represented Carshalton Boys to win the English Schools U15 Championship, finishing +1 over 36 holes.

Daniel

Daniel has been selected to represent the England Pool Junior Squad.

Jacob

Jacob represented London Water Polo at the U16 Inter-Regionals and helped the team win bronze in Division 1 after strong competition from across the UK.

Jake

Jake captained the Year 7 football team to a well-earned treble, and set a new school 300m record at borough sports.

Borough Athletics

This year's Borough Sports Athletics Meet at the David Weir Leisure Centre saw forty Carshalton Boys represent the school with pride, producing another outstanding team performance. The squad brought home an impressive 13 medals across the day, alongside a new school record.

There were a number of exceptional performances across all year groups that contributed to another successful borough campaign. In total, CBSC achieved 3 gold medals, 6 silver medals, and 4 bronze medals, as well as one new school record.

Gold medals came from Jake F, who won the Year 7 300m in a new school record time, along with victories from both the Year 7 and Year 9 relay teams.

Silver medals were won by Divine N, Riley T, Yehor M, Xavier H, Josh T and Ade A.

Bronze medals were secured by Bayden M, Mo B, Alex V and Xavin W.

An outstanding achievement by all the boys involved whose commitment, determination and sportsmanship were evident throughout the competition. Congratulations to everyone who represented the school so brilliantly. We now look forward to building on this success next year.

Sporting Success

Cross Country

CBSC enjoyed another successful year in the cross-country competition, with excellent performances at both the Sutton Borough Cross Country Championships and the South East England Championships.

At the Sutton Borough Cross Country Championships, the boys finished an impressive 4th overall out of 10 schools. There were a number of outstanding individual performances, with Louis L finishing 4th in the Year 7 race, Eddie A placing 6th in the Year 9 event, Caleb R (9th), Alex V (10th) and Ethan R (13th) all producing strong runs in the Year 10 race, while Austin H secured a superb 2nd place in the Year 11 race.

Following his qualification, Austin went on to represent the school at the South East England Cross Country Championships, where he finished an excellent 12th against some of the strongest runners in the region. Alex V also competed impressively, placing 30th in a field of over 100 runners, whilst Eddie A finished a commendable 50th out of 90 competitors.

Congratulations to all the boys for representing CBSC with determination, resilience and pride throughout the cross-country season. Their performances are a credit to both themselves and the school.

Darts

Carshalton Boys Sports College is proud to introduce its new dedicated darts room. The room is designed to support both recreational play and competitive school sport. Equipped to a high standard, the room provides students with an excellent environment to develop their accuracy, focus, and sportsmanship while enjoying the growing popularity of darts. The new space has also been created to host inter-school competitions, welcoming teams from schools across London to compete in organised tournaments and friendly fixtures. By providing a professional and inclusive venue, the darts room will strengthen sporting partnerships, encourage healthy competition, and give students the opportunity to represent their school with pride while building confidence, teamwork, and resilience. The in school clubs are already becoming extremely popular with many students beating staff and even popping the BIG FISH.

2023-24 191 Fixtures

2024-25 203 Fixtures

2025-26 223 Fixtures

Sporting Success

Intertutor Competition

This year has seen the exciting introduction of the Inter-Tutor Competition across Year 7 and Year 8. Throughout the year, boys have represented their tutor groups in a variety of sporting events, competing to earn valuable points and climb the leaderboard.

It has been fantastic to see the enthusiasm, teamwork and sportsmanship on display, with boys encouraging, supporting and motivating one another every step of the way. Congratulations to Fleming, who were crowned Year 7 and Year 8 Champions. Well done to 7R, who claimed the title for the Year 7 Easter Tournament champions, and 8N, who claimed the Year 8 title.

As this week's final tournament gets underway, the excitement is building. With the overall championship still up for grabs, the question remains: which tutor group will be crowned this year's Inter-Tutor Champions?

Year 7 Football

The year began with five CBSC Year 7 teams taking on Wilson's in a fantastic showcase fixture, with Carshalton Boys emerging as convincing 4-1 winners.

The season concluded in unforgettable fashion at Dorking Wanderers Stadium, where the Year 7 first team produced a remarkable comeback to defeat Epsom College 5-3 in a thrilling cup final. After falling behind early and then pegged back at 2-2, the boys showed outstanding resilience and determination to score three late goals and secure a famous victory.

Their success completed a historic treble, adding the Sutton League, Sutton Cup and Surrey Cup titles to an exceptional first season. A truly outstanding achievement from a talented and hardworking group of players.

Year 7 Basketball

What a debut season for our Year 7 basketball team! In their first year of competitive basketball, the boys exceeded all expectations with a superb run to the semi-final of the Surrey Cup. From the opening fixture, the team showed real character and togetherness, developing quickly as a unit and improving with every game. Their commitment in training translated into confident, disciplined performances on court, with strong defensive work and some outstanding individual displays across the squad. The future looks bright for this talented group. With another year of experience ahead, they will return stronger and hungrier. Well done, boys!

Year 7 Cricket

The Year 7 cricket team have enjoyed a fantastic first season together, demonstrating excellent skill, teamwork and enthusiasm throughout. They delivered a dominant performance in the Super 6 tournament, comfortably defeating all opposition to be crowned deserved champions. Their impressive form continued in the Super 8 fixtures, where they remained unbeaten throughout the campaign.

The team also progressed to the semi-final of the Surrey Plate competition, where they faced a strong Woking High School side. Despite a determined and spirited performance, they were unfortunately defeated, bringing an outstanding season to a close.

The players should be immensely proud of their achievements this year. Their commitment, positive attitude and development have been exceptional, providing an excellent foundation for future success. We look forward to seeing this talented group continue to grow and achieve even more in the years ahead.

Sporting Success

Year 8 Football

The Year 8 football team has enjoyed another outstanding season, building on last year's success. Retaining the league title for the second consecutive year is a fantastic accomplishment and reflects the team's consistency, commitment, and determination throughout the season. The squad also reached the Sutton Cup Final, progressed to the Surrey Cup Semi-Final, and made an impressive run to the Sixth Round of the National Cup. Overall, the team won four more matches than last season, demonstrating clear progress and continued development. Every player has contributed to the team's success, showing excellent teamwork, resilience, and a positive attitude both in training and during matches. Congratulations to everyone involved on a memorable and highly successful year.

Year 8 Cricket

What a season! Five wins and just one loss, a fantastic record that reflects the hard work, teamwork, and grit this group of players has shown all year. A special shout out to Oscar, who smashed an incredible 125 runs in these matches, earning him the well-deserved title of Most Improved Player. We'd also like to welcome Sam and Leon, who joined the team this year and have already made a real impact. Congratulations to the whole team on a superb year. Onwards and upwards!

Year 8 Basketball

A great first season for our Year 8 basketball team! In their very first year playing matches, the boys worked incredibly hard in a really tough Surrey Cup league. From their first game, the team showed great team spirit and got better and better every week. They worked so hard in practice, they played with lots of energy and focus, showing great defense and some excellent individual skills. The future looks great for this team. With a full year of experience now, they will come back even stronger next year. Excellent work, boys!

Year

8

Rugby

Year 8 Rugby this year went from strength to strength. We had over 30 students involved in the enrichment and team and it was brilliant to see so many enjoying their rugby. Coinciding with completing rugby as part of their PE curriculum, the boys really took to it confidently and greatly improved their skills. Highlight of the year was taking part in the South London Rugby League Festival, which was a little different for the boys but they gave it their all and represented the school admirably. I look forward to seeing what the team can do next year!

Sporting Success

Year 9 Basketball

The Year 9 basketball team has shown excellent commitment and dedication throughout the season, with their hard work in training evident in their performances on the court. The boys played a total of seven fixtures, scoring an impressive 275 points across the season, and demonstrated significant progress with each game. As their confidence and understanding of the game grew, so did the quality of their performances. The team should be proud of the development they have made this year, and it will be exciting to see what they can achieve next season as they continue to build on these strong foundations.

Year 9 Rugby

The Year 9 rugby team has shown strong development throughout the year, demonstrating commitment and progress in training sessions. This was reflected in their confident performance in a friendly fixture against Wilson's, where they secured a comfortable victory. The boys also represented the school with enthusiasm at the South London Rugby League Festival, gaining valuable experience and enjoying the opportunity to compete. Looking ahead, we aim to increase the number of fixtures next year to further support their development and continue building on the positive progress made this season.

Year 9 Football

The CBSC Year 9 football team enjoyed a season of highs and lows, showing great resilience and determination throughout. The standout moment came with a superb 1-0 away victory over national champions Whitgift School, knocking them out of the Surrey Cup on their impressive new £50,000 hybrid football pitch. It was a memorable result that demonstrated the team's quality and fighting spirit. Despite this, the team reached the Sutton Cup semi-final before bowing out, gaining valuable experience and laying strong foundations for next year.

Year 9 Cricket

A strong season for the Y9 side, who completed a full fixture list against a number of local schools despite the usual challenges of scheduling around the British summer. The squad also stepped up to enter the Surrey Plate, gaining valuable experience against tougher opposition and building the kind of match-hardened confidence that will serve them well as they move up through the age groups. A solid, consistent year of cricket, well done to all involved.

Sporting Success

Year 10 Rugby

The Year 10 rugby team has enjoyed a competitive and determined season, playing four fixtures and showing excellent commitment throughout. The standout performance came in a remarkable victory over Wilson's, achieved despite playing with three fewer players, demonstrating outstanding resilience and teamwork. The team also earned a hard-fought draw against Quest Academy, highlighting their ability to compete against strong opposition. Across the four matches, they scored an impressive 94 points, reflecting their attacking strength and growing confidence. The players have represented the school with pride, determination, and sportsmanship, providing a solid foundation for future success.

Year 10 Basketball

The Year 10 basketball team has shown great commitment and resilience throughout the season, competing in six fixtures against strong opposition. Their highlight came in a thrilling two-point victory over Glenthorne, demonstrating determination, teamwork, and composure under pressure. Across the season, the team scored an impressive 236 points, reflecting their attacking ability and willingness to compete in every game. The players have continued to develop their skills, improve their understanding of the game, and represent the school with enthusiasm and sportsmanship. Their hard work and dedication have provided a strong platform for continued success next season.

Year 11 Football

Five years, countless memories, one incredible journey. As our Year 11 footballers leave CBSC, we celebrate a team that became two time Sutton League and Cup Champions, with famous wins over private school powerhouses Whitgift, Royal Russell and Westminster school along the way. This season didn't quite live up to the hype of what came before but a valiant effort nonetheless with semi-final appearances in both the Surrey Cup and Sutton Cup. A fitting send off for a squad that has represented CBSC with real distinction. Thank you for the memories, boys. Good luck for the future!

Sporting Success

Table Tennis

Table tennis enjoyed another successful year at CBSC, with students representing the school with skill, determination, and excellent sportsmanship across a range of competitive fixtures. Four Year 9 students competed in the South London Under-16s Table Tennis Championships, hosted at CBSC, where they finished a commendable fourth out of eight schools after battling hard throughout the competition. Earlier in the year, both the Year 8 and Year 9 teams produced impressive performances against Rutlish School. The Year 8 team secured a thrilling overall victory after drawing 5–5 in matches before edging the contest 19–17 on sets, while the Year 9 team dominated their fixture with an outstanding 9–1 win in matches and a 27–5 victory on sets. These results reflect the commitment, teamwork, and continued progress of our table tennis players, and we look forward to building on this success with more competitive fixtures in the coming year.

A key factor in the continued success of table tennis at CBSC has been the consistent influence of our dedicated table tennis coach and PE teachers, whose expertise and commitment have helped students develop both technically and tactically throughout the year. Regular coaching sessions have not only improved playing standards but have also enhanced students' confidence, discipline, concentration, and resilience, qualities that transfer directly into the classroom. This has been particularly evident within GCSE Physical Education, where students have demonstrated higher levels of performance in the practical assessment and a greater understanding of the tactical and analytical aspects of the sport. As participation continues to grow, the positive impact of Table Tennis is helping more students achieve stronger GCSE outcomes while fostering a lifelong enjoyment of table tennis.

Chelsea Programme

The Chelsea Program has allowed both Chelsea Teams to represent the program brilliantly in the Youth Development League this season. Every player has shown great determination, teamwork, and commitment during matches, and it has been fantastic to see the progress both teams have made. The Blues and the Yellows have played some excellent football, demonstrating the skills and understanding they have developed in training. Their performances have reflected not only their technical ability but also their positive attitudes, resilience, and willingness to work hard for one another. Regardless of the results, both teams should be extremely proud of the effort, improvement, and sportsmanship they have displayed throughout the league campaign.

1st XV Rugby

Easily one of the standout seasons in recent memory. The 1st XV played the most fixtures the team has ever taken on in a single year, a real testament to the squad's enthusiasm and commitment. Among the results were two hard-fought victories over Wilsons and Wallington Boys two tough, well-regarded sides to beat.

Special mention goes to Logan B, who broke the school's try-scoring record this season. A brilliant individual achievement that reflects both his talent and the platform the team built for him to shine. Huge congratulations, Logan.

Sporting Success

1st XI Football

A really impressive campaign for the 1st XI, who went all the way to the final of the Sutton Cup. Unfortunately, the boys came up just short, losing narrowly to Wilsons on the day — but a cup final appearance is no small feat and speaks to the quality and togetherness of the squad this year. Plenty to be proud of, and a strong foundation to build on next season.

Handball

A fantastic year for handball across the age groups, with real progress and success at every level.

The **Y8 team** enjoyed a brilliant run through the local rounds, winning their way through to qualify for the final regional round of the EHA National Schools Competition — a superb achievement against competition from across the area and a real sign of the strength being built in the younger age groups.

The **Y10 team** have gone from strength to strength this season, picking up a number of impressive victories along the way. Their progress over the year has been clear to see, and they're fast becoming one of the sides to watch.

The **Y11 team** capped off their handball careers in style, finishing the season unbeaten. Just as pleasing is that this success on court has clearly translated into the classroom too, with the team's performance levels contributing significantly to strong GCSE PE practical grades — a great example of sport and academics reinforcing one another.

A brilliant set of results across the board — credit to all the players and coaches involved.

GOAT Mentoring

GOAT Boys (standing for **Growth, Ownership, Attitude, and Tenacity**) is a groundbreaking mentoring programme launched in response to the growing national "Lost Boys" crisis. Inspired by Sir Gareth Southgate's Dimpleby Lecture and the Centre for Social Justice, the programme aims to ensure that every young man has access to a trusted adult role model outside of their home.

The mission is simple but powerful: to help boys grow into grounded, ambitious, and resilient young men who are equipped to lead, serve, and thrive.

How Does It Work?

The initiative connects young men with male mentors from all walks of life—ranging from headteachers and detectives to entrepreneurs and sports coaches. Over a **six-month period**, mentors and mentees meet for **six evening sessions**. These monthly meetings combine one-on-one guidance with group collaboration, culminating in a community project designed to raise money for charity or improve the local area.

We Need You: Phase One Recruitment

The first phase of this journey is all about recruiting an "army" of volunteer mentors. You don't need to be a teacher or a specialist to make a difference—you just need the desire to share your life experience and be a consistent, positive presence.

Why volunteer?

- **Low Commitment, High Impact:** Just 6 evening sessions over 6 months.
- **Build Skills:** Develop your own leadership and mentoring abilities.
- **Community:** Join a network of like-minded men dedicated to making a difference.
- **Legacy:** Help a young person navigate challenges like education, employment, and digital wellbeing.

Take Action Today

If you have been looking for a way to give back, this is it. As the flyer attached to this newsletter shows, the GOAT Boys movement is growing fast, with interest already spreading across the country. We want our local community to lead the way.

Ready to step up? Please complete the volunteer application form here:

Parent/Carer Survey - Wellbeing Service

Our local NHS Education Wellbeing Service want your views! They are looking to develop a new webinar to support parents/ carers on the subject of **Conversations about emotional wellbeing with young people across cultures**.

They would really value your ideas on whether you would be interested in attending this webinar and what content you think would be important to be included. Please complete this brief survey to share your views: [Parent/Carer Survey- Conversations on emotional wellbeing with young people across cultures – Fill in form](#)

FSM Eligibility

Free School Meals: Important Changes from September 2026 — Please Register

We want to take this opportunity to encourage all parents and carers whose child is entitled to Free School Meals to register — your support really does make a difference, as schools receive significant funding based on the number of students registered in this targeted group.

Please note: the protection currently in place for Free School Meals will end from September 2026. All families will need to apply for this entitlement, with eligibility checked annually going forward.

From September 2026, the Department for Education is introducing new eligibility criteria:

Targeted FSM Criteria — for families receiving:

- Universal Credit (with a household income of no more than £7,400), or
- The guaranteed element of Pension Credit, or
- Support under Part VI of the Immigration and Asylum Act 1999

Expanded FSM Criteria — for families receiving:

- Universal Credit with a household income of over £7,400 a year

How to apply: Please visit the website below or search 'London Borough of Sutton Free School Meals':

-  <https://www.sutton.gov.uk/benefits-and-support/apply-free-school-meals>

Applications can be made from Monday 1 June, throughout the summer. The Local Authority will check and confirm entitlement, and will notify both you and the school once this is complete — our records will then be updated accordingly. If your child isn't eligible at the point of application, the Local Authority will automatically recheck eligibility periodically during the year. If confirmation isn't received, any previous entitlement will end.

Once eligibility is confirmed, your child's food account will be credited with £2.35 each lunchtime — this amount is removed at the end of each lunchtime if unused.

Please remember it's your responsibility to inform both the school and the Local Authority of any changes that may affect your eligibility during the year.

We know some families entitled to a free school meal choose not to register — if this applies to you, we'd really encourage you to register anyway, even if your son doesn't wish to take up the meal, as it directly supports school funding.

If you'd like to discuss this further, please contact the school on 02087143100 or email contact@carshaltonboys.org

HAF Programme Vouchers

Holiday Activities and Food Programme Vouchers

We're pleased to let you know that the Holiday Activities and Food (HAF) Programme is returning this summer, running from 27 July to 28 August.

Funded by the Department for Education and delivered locally by Sutton Council, the programme offers free holiday activities and nutritious meals for children and young people eligible for benefits-related Free School Meals.

Children attending can enjoy a wide range of activities, including:

- Sports and physical activities
- Arts, crafts and creative workshops
- Music, dance and drama
- Outdoor adventures and games
- Healthy meals provided during each session
- Opportunities to make new friends and learn new skills in a safe, supportive environment

If your child is eligible, you should have already received a HAF voucher with details of how to book activities.

If you think your child may be eligible but haven't received a voucher, or would like further information, please contact the school office.

You can also find out more about the programme, activities on offer, and how to book by visiting the Sutton Information Hub HAF webpage:

<https://suttoninformationhub.org.uk/pages/HAF>

We'd encourage all eligible families to take advantage of this fantastic opportunity to keep children active, engaged, and well-fed throughout the summer holidays!

**HOLIDAY
ACTIVITIES & FOOD
PROGRAMME**

SPRING, SUMMER AND WINTER

**FREE*
FOR
RECEPTION
– YEAR 11**

Activities include:

- › Arts & craft
- › Sports
- › Performing arts

- › Day trips
- Plus much more!

Book your child's place today!

Enjoy a holiday filled with exciting activities, trips and more.

Nutritious food included.

*Children who receive benefits-related free school meals can book a free place using their unique vouchers. Vouchers are provided by schools. Limited free places are available for children outside this cohort.

Scan the QR code or search 'Sutton HAF' to find out more.

Sutton
Department for Education

Create Drama Filmmaking

Create a Film – Summer Holiday Programme

This summer, Create Drama will be running a four-day filmmaking and drama programme for young people aged 13–18, funded through the Department for Education's Holiday Activities and Food (HAF) Programme.

We have been asked to work closely with local schools, as uptake of HAF provision is traditionally lower amongst teenagers. This programme offers eligible young people who receive Free School Meals the opportunity to take part completely free of charge, including a hot meal each day.

Dates: 10–13 August

Location: Sutton / Carshalton Beeches

Times: Monday–Wednesday, 2.30pm–6.30pm | Thursday, 12 noon–5.30pm

Participants will:

- Work with professional actors and directors
- Learn acting for camera techniques
- Develop story ideas and storyboards
- Create and film their own movie trailer
- Enjoy an exclusive visit to Sky Studios
- Take home their finished production

To ensure the programme is inclusive and accessible to all young people, we also offer paid places for those who are not eligible for Free School Meals. The programme is therefore open to all young people aged 13–18.

I have attached a flyer and would be extremely grateful if you could:

- Share it with parents and carers via email or your parent communication system
- Display it on school noticeboards and screens
- Promote it to any students who may benefit from this opportunity

Increasing awareness is essential to ensure young people do not miss out on these exciting opportunities during the summer holidays

Booking information can be found at:

www.dramabuds.co.uk/createdrama

AMBIT Youngerz

AMBIT Youngerz presents URBAN VIBES – a FREE, DfE-funded summer programme for young people aged **13–16**, packed with creativity, self-expression and exciting experiences.

Across four themed weeks, young people will explore:

- **Week 1 – Voice & Performance** – Create, perform and find your voice
- **Week 2 – Music & Movement** – Make beats, move and collaborate
- **Week 3 – Fashion & Style** – Design, customise and express yourself
- **Week 4 – Street Art & Identity** – Create, inspire and showcase who you are

Through workshops, creative projects, trips and showcase opportunities, young people will build confidence, make new friends and develop skills in a fun and supportive environment.

Funded HAF places are available for young people eligible for benefits-related free school meals, with additional places available for other vulnerable young people.

Book your place here:

<https://app.holidayactivities.com/parent/providers/ambit-youth-ltd>

Spaces are limited, so we encourage families to book early to avoid disappointment.
